

Piekarniki

FPE 649A/6W

DZIAŁANIE

| | |
|---|-----------|
| Klasa efektywności energetycznej - komora 1 | A+ |
|---|-----------|

GŁÓWNE CECHY

| | |
|---------------------------------|------------------|
| Zintegrowany system czyszczenia | Catalytic |
|---------------------------------|------------------|

| | |
|---------------|--------------------|
| Pobór energii | Elektryczne |
|---------------|--------------------|

| | |
|-----------------------------|-----------------|
| Metoda gotowania - komora 1 | Fan Oven |
|-----------------------------|-----------------|

| | |
|-------------|-----------------------------|
| Konstrukcja | Elektrici catalitici |
|-------------|-----------------------------|

| | |
|-------------------|-----------------|
| Nr. wew. artykułu | 33701487 |
|-------------------|-----------------|

| | |
|-------------------|--------------------|
| Short Description | FPE 649A/6W |
|-------------------|--------------------|

| | |
|---------|----------------------|
| Kod EAN | 8016361897809 |
|---------|----------------------|

| | |
|-------------------------------|-----------|
| Pojemność użytkowa - komora 1 | 65 |
|-------------------------------|-----------|

PARAMETRY TECHNICZNE

| | |
|-----------------------|----------------------|
| Prowadnice piekarnika | Wall-embedded |
|-----------------------|----------------------|

| | |
|------------|-------------------|
| Sterowanie | Mechanical |
|------------|-------------------|

| | |
|---------------------|-----|
| Blacha do pieczenia | 1 |
| Ruszt | 2 |
| Rożen obrotowy | Nie |

PROGRAMY I FUNKCJE

| | |
|-----------------------------|----------|
| Metoda gotowania - komora 1 | Fan Oven |
|-----------------------------|----------|

WYGLĄD

| | |
|----------------|---------------------------|
| Materiał drzwi | Stainless steel and glass |
|----------------|---------------------------|

| | |
|----------------|--------|
| Kolor pokrętki | Bianco |
|----------------|--------|

| | |
|----------------|--------|
| Kolor uchwytów | Bianco |
|----------------|--------|

WYMIARY

| | |
|------------------|----|
| Waga brutto (kg) | 32 |
|------------------|----|

| | |
|-----------------------|-----------------|
| Wymiary produktu [mm] | 595 X 595 X 567 |
|-----------------------|-----------------|

| | |
|-------------------------------------|-----------------|
| Wymagany wymiar wnęki do instalacji | 585 X 560 X 560 |
|-------------------------------------|-----------------|

| | |
|-----------------|----|
| Waga netto (kg) | 30 |
|-----------------|----|
