

Piekarniki

FET 629A XL

DZIAŁANIE

| | |
|---|-----------|
| Klasa efektywności energetycznej - komora 1 | A+ |
|---|-----------|

GŁÓWNE CECHY

| | |
|---------------------------------|-----------|
| Zintegrowany system czyszczenia | No |
|---------------------------------|-----------|

| | |
|-----------------------------|-----------------|
| Metoda gotowania - komora 1 | Fan Oven |
|-----------------------------|-----------------|

| | |
|-------------|---------------------------|
| Konstrukcja | Elettrici smaltati |
|-------------|---------------------------|

| | |
|-------------------|-----------------|
| Nr. wew. artykułu | 33701491 |
|-------------------|-----------------|

| | |
|-------------------|--------------------|
| Short Description | FET 629A XL |
|-------------------|--------------------|

| | |
|---------|----------------------|
| Kod EAN | 8016361897847 |
|---------|----------------------|

| | |
|-------------------------------|-----------|
| Pojemność użytkowa - komora 1 | 69 |
|-------------------------------|-----------|

PARAMETRY TECHNICZNE

| | |
|-----------------------|-------------------|
| Prowadnice piekarnika | Telescopic |
|-----------------------|-------------------|

| | |
|---------------------|-----------------------------|
| Dodatkowe akcesoria | Self-cleaning panels |
|---------------------|-----------------------------|

| | |
|---------------------|----------|
| Blacha do pieczenia | 1 |
|---------------------|----------|

| | |
|-------|---|
| Ruszt | 2 |
|-------|---|

| | |
|----------------|-----|
| Rożen obrotowy | Nie |
|----------------|-----|

PROGRAMY I FUNKCJE

| | |
|-----------------------------|----------|
| Metoda gotowania - komora 1 | Fan Oven |
|-----------------------------|----------|

WYGLĄD

| | |
|----------------|------------------------------|
| Materiał drzwi | Stainless steel and stop sol |
|----------------|------------------------------|

| | |
|---------------|------|
| Kolor pokręta | Inox |
|---------------|------|

| | |
|----------------|------|
| Kolor uchwytów | Inox |
|----------------|------|

WYMIARY

| | |
|------------------|----|
| Waga brutto (kg) | 32 |
|------------------|----|

| | |
|-----------------------|-----------------|
| Wymiary produktu [mm] | 595 X 595 X 567 |
|-----------------------|-----------------|

| | |
|-------------------------------------|-----------------|
| Wymagany wymiar wnęki do instalacji | 585 X 560 X 560 |
|-------------------------------------|-----------------|

| | |
|-----------------|----|
| Waga netto (kg) | 30 |
|-----------------|----|
